

Date Set: Friday 7th November 2025

Aim to complete (on average) at least one task every two weeks. Please hand in tasks as you complete them before the end of the half term. (Friday 19th December)

Space

Make a model of the solar system!

Can you label all 8 planets?

You can use whatever materials you like to create your masterpiece.

Moon Diary

Keep a moon diary to track the shape of the moon and see how it changes.

Can you date your drawings? Can you label the phases of the moon?

Dinner time

Use your weighing and measuring skills to make a healthy meal.

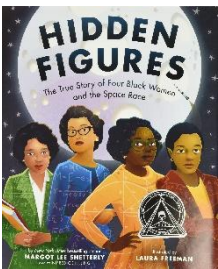

Weigh out the ingredients and time how long it takes to cook. You could take a photo of your meal to share in class.

The True Meaning of Christmas

Create a piece of art, a story or presentation that illustrates the true meaning of Christmas.

Inspiring Figures

We will be reading a story about four real-life women who overcame prejudice to achieve remarkable things in Space research. Can you find

another inspiring person who has had to overcome adversity in order to make great changes?

Create a fact page, presentation or film about an inspiring person or group of people.

Mars Rover

Create a poster, leaflet or booklet, presentation or film that illustrates what the Mars Rover is and its purpose on Mars. Perhaps you even have your own design for an improved version of the Mars Rover?
