

St Richard's CE Primary School

Summer Term 2026 – Second Half

Year 4 Acacia Class – June 2026

Last term of the year, here we go!

We hope you all had a restful break and are looking forward to our last term ahead. With lots of work and MANY exciting trips, we look forward to your cooperation and support in making this an amazing term! We are also very excited to welcome Mr Garcia to Year 4, who has been a valuable addition to the team and is already building excellent relationships with pupils and staff alike!

Wishing you all a wonderful summer term.

The Year 4 Team

Summary: (Swimming / PE day etc.)

Monday: Service in church with Revd. Simon

Tuesday: PE

Wednesday: Swimming

Thursday

Friday:

Staff in class:

Mrs Balmant

Mr Garcia

Mrs Melvin

Mr D - PE

Multiplication Tables Check – Year 4 to complete in June 2026

The Multiplication Tables Check (MTC) is a National statutory on-screen test for Year 4 pupils in England, assessing fluent recall of times tables up to 12x12 through 25 timed questions (6 seconds per question).

The pupils will be covering the few remaining times tables facts up to 12x12 this half term in lessons, however short, daily practice of these facts at home will build fluency to support pupils as they continue to work through the KS2 maths curriculum.

Please find more information [here](#).

How you can help your child at home:

- **Please read aloud with your child daily**, and share your enthusiasm for reading!
- **Times Tables** –Please practice regularly with your child to build fluency and automaticity.
- Help develop independence and responsibility – when struggling with emotions, pupils can be encouraged to use known strategies from PATHS /PSHE to help calm (breathing, grounding, drawing, exercise, etc) as well as problem solve
- Work on active listening (eye contact and expecting a response) as well as clear communication
