

Key Priorities 2023-24

MAIN AREAS OF FOCUS

Quality of Education
Ensure improved attainment and progress in Writing
Introduce new Handwriting scheme and ensure consistency
Behaviour and Attitudes
Review our Behaviour Policy and ensure consistently adhered to throughout the school.
Ensure Zones of Regulation is consistently used in all classes
Improve attendance especially for disadvantaged groups
Personal Development
Developing talk in the classroom
Developing aspirations and skills for future economic wellbeing
Leadership and Management
Launch our after school provision - 3Bees run by school
Review, audit and monitor CPOMs use
Review and update our appraisal system for all staff
Develop subject leaders understanding of their role and responsibilities.
Early years
To establish effective leadership to enable a clear vision and expectations.
To establish effective leadership to ensure consistency across the 3 year groups and that there is cohesion with the school's policies.
To design a curriculum that shows progression across the year groups, is sequenced and builds upon what the children know.
Investigate options for colocation of Early years space
